

# SIMPLE SCIENCE Hornworm Growth Table

Name \_\_\_\_\_

## Estimate:

How long will your hornworm be on the last day you measure it?

**Make a Guess:** \_\_\_\_\_ inches

## Growth Table:

Observe your hornworm, measure it and count frass balls at least 5 times.  
Record your data on the table.

Day	Date	Length (inches)	Number of Frass Balls

## Conclusion:

How long was your hornworm on the last day?

\_\_\_\_\_

Did you prove or disprove the estimate?
